

THE 10/40 WINDOW

Over 400,000 Villages in India alone have no Gospel witness, workers (or) the Church
65,000 People die each day eternally separated from Jesus Christ

- Only 20% of all mission work. 97% of the unreached people groups are located here.
- 9 of the top 10 worst countries in terms of persecution.

- **INDIA IS IN THE 10/40 WINDOW**
- Over 600 million live in deep poverty with 300 million living below the poverty line.
- 50% of the people have never heard the name of Jesus.
- There are 1,942 recognized language groups without God's Written Word.
- Every night 250 million Indians go to bed on an empty stomach.
- Over 1.1 billion people in area 1/3 the size of the US
- 40% illiterate - equal to the population of the US, Canada and Mexico!
- 18 main languages with over 1,650 dialects
- Per capita income \$370/year (1.2% of the US)
- Religion: Hindu 84%, Muslim 13 %, Christian 3%
- 80% Live in 600,000 villages, there are 3,000 castes, sub-castes and tribal people groups
- Here people have different religious affinities and worship more than 33 million gods of 4635 people groups.

... a sun worshipper stares into the rising sun until he eventually goes blind ...

- More than 141 million Muslims are living in India alone. That's more than Iraq, Iran and Saudi Arabia combined. They prostrate themselves in prayer toward Mecca five times a day ...

- India is also home to the second- largest Muslim population in the world.

... Why?

How Long Must They Wait

How shall they hear?

After 2,000 years of Christianity, how can it be that...

FACTS ABOUT THE 10/40 WINDOW

Until the mid-1900s, Western missionaries, like their predecessors Hudson Taylor and William Carey, could freely travel, live and share the Gospel in foreign nations.

... Now most of these nations are closed to western missionaries.

Witnessing the Christian Gospel means death in many of the 65 countries represented. It is the darkest and most inhospitable territory to the cause of Christ and represents the greatest remaining stronghold of Satan.

... More than 1.3 Billion people under the influence of Communism.

... Over 70% of the world's people but only 9% of the missionary efforts.

... Less than 1/2 of 1% of the budget of our churches goes to reach the unreached people.

Now India is experiencing a great challenge of religious fundamentalists. They claim that India is for the Hindus. Missionaries and Pastors are attacked and burned alive. If the doors are shut, how will these unreached multitudes ever hear the Gospel?

... It is estimated that 1.6 billion of these unreached people have never had the chance to hear the Gospel of Jesus Christ - not even once!

A Word of Recommendation

I am writing this recommendation on behalf of Dr. Paul Victor, Missionary to India. I have personally visited India twice in different occasions. After preaching in India I saw the mission work of GAMI & GCF ministries first hand, I whole heartedly testify that Bro. Paul Victor is a relentless worker for our Lord Jesus Christ. The representatives of GAMI & GCF are men of God who preach the word, the finances are accountable and spent very carefully and I recommend this ministry to all the pastors and churches all over the world for your financial support and prayers.

Rev. SHAWN SCRIBNER
PASTOR

As a pastor of Emmanuel Baptist Bible Church and also the sending Church for Dr. Paul Victor, missionary. I am thrilled to recommend the ministry of GAMI & GCF to other churches for support to expand the ministries in India. Dr. Joseph Roberts and Dr. Paul Victor and other representatives of GAMI & GCF are men of God who preach the word, the finances are accountable and the mission work is being done since 1971 in the land of India.

Rev. JAMES B. LAGOE
PASTOR

You Can Help this Ministry . . .

- Support the Pastor Ministry with \$100 a month.
- Support the Bible Students Ministry with \$50 a month.
- Support the Orphan Ministry with \$30 a month.
- Assist in building a village church with \$5,000.
- Share the ministry with others by sending us names of interested friends that might like to be informed of what the Lord is doing in India.
- Invite Dr. Joseph Robert, Dr. Paul Victor or other GAMI & GCF representatives to your church to preach and share the ministry.

All your Gifts are tax deductible

 - Helping the widows & poor

OUR MINISTRIES

Together
we can
reach them in our Lifetime!

GOSPEL TO ASIA MINISTRIES INTERNATIONAL INC. & GRACE CHARITY FOUNDATION

A local Church Ministry of Grace Baptist Temple, Visakhapatnam, A.P., India.

A Closer Look at the Ministries

SOUL WINNING & EVANGELISM

Reaching People in villages and rural areas with the Gospel & Knocking on doors, Distributing Tracts, Personnel witnessing and conducting open air - meetings are some of our projects. The Hindu and Muslim People are very hard hearted and proud of their religion. Many souls are saved and people Baptized. We started establishing local churches in the villages with three or four families. 35 fundamental Baptist churches are established as on date.

CHURCH PLANTING

The Lord Jesus said, "I will build my church and the gates of hell shall not prevail against it" (Matthew 16:18). It is the desire of the Lord to have local churches in every city and village for worshipping God and as a witness in that place. The Lord wants His church to be Light and Salt in each place. He enabled us to start the first local church in Visakhapatnam in 1971, and the number of local churches has since increased to over 50.

CHRISTIAN DAY SCHOOL - Dr. JOSEPH'S SCHOOL

In the year 1999 the Lord gave Dr. Paul Victor the burden to start Christian School. There are hundreds of cities in south India with two or three hundred thousand people and no Christian church or work in their histories. These cities have gone beyond being just apathetic towards the Gospel of Christ and are now very much against the Gospel. When a mission work begins, those bringing the Good News are often beaten and even killed for their message. However, a mission school started Dr. Joseph's School with a Christian discipline teaching from Nursery to Xth grade with 200 students. In this school we take time for the morning devotions among the students and our dear Lord is blessing the school ministry and many young children came to the saving knowledge of our Lord Jesus Christ.

TEMPLE BAPTIST SEMINARY

The Lord Jesus Christ was always moved when He saw the multitude. In Matthew 5:1-3 we read that after the multitude left, He called students (whom He called disciples) and started a Bible school. This type of training is greatly needed in our day - preparing laborers, servants of God, to go into the areas of greatest need to bring the Good News of our Savior. The Temple Baptist Seminary was started in 1987 at Visakhapatnam, South India. We now have 35 students and are praying that God will increase that number to 100 Bible students very soon. We are teaching fundamental Bible doctrines and especially for those who are called to preach as full time Gospel preachers. India is closed to all foreign

missionaries. So we are training and teaching the Bible to the nationals to reach the nearly One Billion people. Young people have dedicated their lives and are learning the word of God. Pray for the national Preacher boys. "How shall they preach, except they be sent". (Rom 10:15)

MINISTRY TO THE BLIND

Fifty Blind children are in the school for the blind. We started a regular school for the children. They are taught the Bible and also regular school Books. All the students are saved by God's grace. Blind students everyday go out to the streets to distribute the tracts. Pray for the staff and for the students.

WORK AMONG THE LEPERS

In 1987 the Lord burdened Dr. Paul Victor's heart for the 4.5 million lepers in India. Millions of lepers live in misery, begging from house to house for their daily food. Medical science is still seeking a cure for this infectious disease that disfigures and destroys fingers, toes, ears, nose, and other parts of the body. The Lord has blessed the work among those suffering from leprosy since 1987 and many have opened their hearts to the Gospel and the love of God. One learnt from a medical doctor is that children born to parents suffering from leprosy will usually be saved from leprosy if they are removed from the colony for patients of leprosy before they reach puberty. One thing in their lives to feel happy is that they accepted Jesus and they are going to be with the Lord. Praise the Lord! "Where there is no vision, People perish". (Prov. 29:18)

SATELLITE MEDICAL CAMPS

Another great opportunity has been opened to GAMI & GCF in the field of medicine. We do not merely minister to the body. People who come to the mobile hospital receive the Gospel. Twice each week we go to the poor in the villages in Visakhapatnam District and Vizianagaram District to distribute tracts and Gospels while treating the sick. This is a very good way of reaching people with the Gospel, as we care for both their bodies and their souls. We also distribute free medicines.

NATIONAL PASTORS ASSOCIATED WITH GAMI & GCF

We have 100 National Pastors trained in our Bible school, were ordained and were sent to mission fields to reach the people who live in villages and tribal areas and they started planting Churches. These Pastors are very faithful on the field. They need your prayers on regular basis. We praise God for all these men of God who surrendered their lives along with their families for the cause of Christ. Praise the Lord!
